River of Grass Weekly Update – June 3, 2021

Seeking the Spirit of a Child: A Flower Ceremony (aka: From the Toolbox to the Toybox)

This Sunday we seek the spirit of a child to launch our June theme of “Play” with our annual Flower Ceremony (2nd annual virtual) celebrating the beauty and joy in all their expressions with us and through us. As we see re-emergence from this pandemic year on the horizon, how have we changed? How has our world changed? How do we bring our changed selves into this changed world? What might it mean to approach it with the spirit of a child? We’ve added, and will keep adding, so much new and necessary to our toolbox. What about our toybox?

Come as you are to gather with us for this Sunday’s love-streamed service, remembering only the medium is virtual; the connections, the love, the spirit are real. Following the service, we will share virtual Hospitality time with a live chat and small groups where we can relish each other’s beautiful faces and voices together once again.

Follow the link below to join us in Zoom – or if you’d like, we’ll be simulcasting on our [Facebook page](#). Tune in there for the service, then log onto our Zoom link for hospitality time afterward.

We’ll be watching for you!

Summer Fun Program: All Ages 12:30 pm

On Sunday in our Summer Fun Program for children, we’ll start off with a theme of Play for the month of June. When we think about play, we often think first of something fun; “just for fun.” But play is serious work. Our first lesson will be “Playing with Rainbows” to celebrate PRIDE month. Rainbows show us that all of the colors, all of the ways in which people are in the world, are beautiful. If you’d like more information about our Summer Fun program for children and youth, contact us at faithdevelopment@riverofgrassuu.org.

Drive to the Finish: Capital Campaign - The Future Home Search Team has been diligently searching for property that could be our future home. The Future Home teams have estimated we will need \$2-2.2 million to purchase the property, renovate, and furnish our new home when we find it. We have a potential of \$1.4 million, combining the funds in our Capital Foundation, pledges already received and unpaid pledges. As your Capital Campaign Team members look for creative ways to finance the shortfall, we have launched a second campaign to get closer to the finish. Please consider making a new pledge or increasing the pledge you made last year.

BIG NEWS! We have a generous anonymous donor who has offered to match any new or increased pledge of \$3,000 or more. Please consider this when you make your pledge/contribution. Stretching a bit can double your contribution! Go to our website, riverofgrassuu.org, scroll down to the Drive to the Finish information and [click on the link to make your pledge](#). For more information, contact capitalcampaign@riverofgrassuu.org.

Summer isn't fun when you're hungry - While the summer is exciting for many, half a million kids are at risk of going hungry this summer. Summer poses a triple threat to families in South Florida:

1. Access to free or reduced-price school meals ends.
2. The cost of living increases during the summer months.
3. Donations to Feeding South Florida drop significantly.

But working together, there's a solution: **[SUMMER HUNGER ENDS HERE. JOIN THE FOOD FRENZY!](#)**

The Food Frenzy is a friendly competition designed to bring attention to the issue of summer hunger and raise the critical funds necessary to end it.

Wear Orange 2021 Weekend starts June 4th [Save the date and learn more about Wear Orange](#)

We're less than a month away from the start of Wear Orange Weekend. On June 4th, we'll kick things off by commemorating National Gun Violence Awareness Day to honor the lives of people in the United States affected by gun violence and demand an end to this crisis. [Learn more about what we're doing this year to Wear Orange, including events happening across the country.](#)

After Hadiya Pendleton was shot and killed in 2013 at the age of 15, her friends and family organized in Chicago to honor her life by wearing the color orange. Wear Orange originated on June 2, 2015—what would have been Hadiya's 18th birthday—and is now observed nationally on the first Friday in June and the following weekend each year in order to raise awareness for gun violence prevention.

This year, that means calling special attention to how the gun violence crisis has worsened during the COVID-19 pandemic. In 2020, the number of people killed by gun violence exceeded 40,000—the highest rate of gun deaths in two decades.¹

So, on June 4th, we'll #WearOrange and come together with communities across the country as we work to end gun violence. [Save the date and learn more about how you can be a part of Wear Orange Weekend.](#)

Thank you for being a part of this movement. We hope you'll join us this year to make #WearOrange as impactful as possible.

SSJGT, Service and Social Justice Green Team, Green Tip of the Week: Insulate your water heater. Wrap the tank with an exterior insulation kit and insulate exposed pipes. It will reduce electricity costs and save money. Also consider installing a solar water heater. This alone may cut your electric bill by a third or more - saving electricity and saving you money!

MEETINGS IN THE TIME OF COVID

RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: February 2021

Small Group Meeting COVID Requirements

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

In accordance with these guidelines, Official River of Grass meeting protocols have been updated to reflect the differences in the make-up of meeting attendees. **People are considered fully vaccinated for COVID-19 ≥ 2 weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or ≥ 2 weeks after they have received a single-dose vaccine (Johnson and Johnson (J&J)/Janssen). This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at vicepresident@riverofgrassuu.org for more information.

COVID-19 Response Update

Our River of Grass faithful is actively responding to COVID-19. Any face-to-face gatherings of any kind must follow the new small group protocols that were recommended to the Board by the COVID Re-Emergence Team. Otherwise, all gatherings are suspended or moved on-line, while we search for our forever home, continue to keep ourselves and our community safe, and prepare for congregational life after COVID.

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contact' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

Basic Protective Measures Against Coronavirus

Your leadership at River of Grass are taking every precaution against coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

Take care of your health and protect others by doing the following:

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

How to cope with stress during this coronavirus outbreak:

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.

6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
