Money Matters: Here is a topic that may be of interest to you from your Planning Giving Group. A 529 College Saving Plan is a way to pay now towards your grand child's education and watch it grow tax-free until needed. A 529 Plan works like an IRA for Retirement Savings except that you, or a parent, is the owner and the grandkid is the beneficiary. There are dozens of plans sponsored by different states from Florida to Utah. Yes, there are big

differences between plans in fees and investment options. Like an IRA, you can rollover your 529 from one sponsor to another. Withdrawals can go only towards educational expenses and the IRS will be watching. There is a valuable review by the rating service MorningStar.com and you can read the report online at: The Top 529 College Savings Plans of 2020. As usual, always consult with your financial and tax professionals when making such decisions. Remember, you will never work at a higher hourly pay rate than when you are reviewing your financial options.

Heritage & Hope:

Heritage - Sophia Lyon Fahs: A 20th-century progressive religious educator and one of the creators of modern American theological liberalism.

Born in 1876, Fahs embraced progressive educational principles when she was a graduate student at Columbia University's Teachers College, then as a divinity student at Union Theological School in New York. Fahs came of age as a major new force in liberal religious education as young liberal parents and disenchanted orthodox parents increasingly sought out new models of religious education for their children. She actively created and shaped the progressive Sunday School at Riverside Church in New York.

Hope - OWL - Honest, accurate information about sexuality changes lives. It dismantles stereotypes and assumptions, builds self-acceptance and self-esteem, fosters healthy relationships, improves decision making, and has the potential to save lives. For these reasons and more, we are proud to offer Our Whole Lives (OWL), a comprehensive, lifespan sexuality education curricula for use in both secular settings and faith communities.

Melanie J. Davis is the UUA's OWL Program Manager and is an all-levels Our Whole Lives trainer. She is the author of *Our Whole Lives Sexuality Education for Older Adults* and *Sexuality and Our Faith: Companion to Our Whole Lives Sexuality Education for Grades 7-9*, 2nd ed.

VIRTUAL WATER INGATHERING SUNDAY, SEP 19th! Beloveds, the time has come for our annual Water Ingathering. Each year we gather in September to mingle waters symbolizing our connections to one another, to the Earth we share with all living things, and the learnings of our life's journeys in body and in spirit. **On Sunday, Sep 19th**, we will share a Virtual Water Ingathering in this unprecedented time we're living through together. For a part of this time of service, you are invited to offer a video or photo of yourself, your beloveds, your family with, in, on, partaking, celebrating, appreciating, marveling at that life-giving waters of your life, in advance, and get it to us to prepare for the service. Share with us your ...
waters of abundance or scarcity

- waters of travel, movement, change
- waters of life's storms, worries, frustrations, losses
- waters that form the wellsprings of your life

Get creative. Be serious or silly. In a boat on the sea or a kayak on the river? On a unicorn float in the pool or toes in the dew-drenched grass at dawn? Simply enjoying a cold glass on a hot day or watching the steamy rainfall? Drinking from the garden hose or a prehistoric waterfall? A quench straight from your kitchen tap or scooped up from afar? Show us what life-giving water means to you. Most of all, we want to see your faces and be assured once more of the bonds of Beloved Community.

Send your videos, photos, art, poems – whatever speaks best for you – to minister@riverofgrassuu.org – **by Wednesday, Sep 15th**. Oh, and one more thing, please also be prepared to bring an ice cube to the zoom screen for this service! Till then, Shine on! ~ RevAmy

MEETINGS IN THE TIME OF COVID

RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: February 2021

Small Group Meeting COVID Requirements

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

In accordance with these guidelines, Official River of Grass meeting protocols have been updated to reflect the differences in the make-up of meeting attendees. **People are considered fully vaccinated for COVID-19 ≥ 2 weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or ≥ 2 weeks after they have received a single-dose vaccine (Johnson and Johnson (J&J)/Janssen). This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at vicepresident@riverofgrassuu.org for more information.

COVID-19 Response Update

Our River of Grass faithful is actively responding to COVID-19. Any face-to-face gatherings of any kind must follow the new small group protocols that were recommended to the Board by the COVID Re-Emergence Team. Otherwise, all gatherings are suspended or moved on-line, while we search for our forever home, continue to keep ourselves and our community safe, and prepare for congregational life after COVID.

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contact' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

Basic Protective Measures Against Coronavirus

Your leadership at River of Grass are taking every precaution against coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

Take care of your health and protect others by doing the following:

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

How to cope with stress during this coronavirus outbreak:

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
