River of Grass Weekly Update – October 21, 2021

UN Day

October 24th is the 76th anniversary of the founding of the United Nations. This Sunday we celebrate the work of the United Nations and our UU Office at the UN. That office provides a Unitarian Universalist perspective and voice in the decision-making halls of the United Nations. The UU office at the UN promotes the goal of a world community with peace, liberty, and justice for all, as reflected in the UN Charter.

Join us as you are from wherever you are in Zoom or on FaceBook live for both our service, and Hospitality in Zoom following the service. (If you tune in on Facebook, c'mon over to Hospitality at the link below!). We can't wait to see you!

Faith Development: Dragonflies **9:30am**; Teens **12:00pm**; Mockingbirds **1:30pm**

On Sunday our children will be experiencing the concept of "building bridges" in order to help cultivate relationships. We will also be making some real bridges, so bring those popsicle sticks and the dragon to cross over! Our teens will be focusing on the concept of covenants or promises that we make in our friendships that help everyone feel safe, celebrated and cared for. If you'd like further information about our FD program, contact Karen Gonzalez at religiouseducator@riverofgrassuu.org.

Rev. Amy's sabbatical: Rev. Amy's sabbatical began Monday, Sep 27th, and will end Tuesday, Nov 30th. She will be back in the pulpit on Dec 5th. For more information about her sabbatical, please read the information that Rev. Amy prepared. It is listed on our website: [Rev. Amy's Sabbatical Page](#).

Intersex Awareness Day - October 26: Since 2004, Oct 26th is celebrated as Intersex Awareness Day, an initiative by the Intersex Day Project that encourages people to take action and share the histories and stories of the intersex rights movement.

Intersex Awareness Day commemorates the anniversary of a protest held by members of the intersex community during the annual American Academy of Pediatrics convention in 1996. Activists gathered in action against the standard practice of invasive gender based surgeries that many intersex children have been forced to undergo without consent.

To understand the importance of Intersex Awareness Day, it's also necessary to have an accurate definition of what it means to be intersex. People who are intersex were born with a genetic, genital, reproductive, or hormonal configuration that isn't easily categorized as "male" or "female."

LifeNet4Families - Provide a traditional holiday meal to food-insecure families this Thanksgiving!

Thanksgiving is usually a time to gather and celebrate with family and friends around the dinner table. This year, more families are struggling to put enough food on the table; many of which are in need of help for the first time this holiday season. With your support, an isolated senior, an individual on their own this holiday season, or a food-insecure family will be able to access a warm traditional meal this Thanksgiving!

Here are some of the ways you can help feed one senior, one person, or one family:

- \$75 to deliver families a fully-cooked traditional Thanksgiving Dinner with all the trimmings.
- \$50 to provide a holiday food box so food-insecure families can prepare a delicious holiday meal at home.
- \$25 to surprise an isolated senior living alone with a traditional holiday dinner delivered to their home this Thanksgiving.
- Consider a one-time gift to feed as many people as possible this Thanksgiving Day.
- Setup a recurring monthly gift to help feed families this holiday season and beyond.

Thank you for your generosity this season of giving (meals). [Click here to donate to LifeNet4Families!](#)

MEETINGS IN THE TIME OF COVID

Small Group Meeting COVID Requirements

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at vicepresident@riverofgrassuu.org for more information.

COVID-19 Response Update

Our River of Grass faithful is actively responding to COVID-19. Any face-to-face gatherings of any kind must follow the new small group protocols that were recommended to the Board by the COVID Re-Emergence Team. Otherwise, all gatherings are suspended or moved on-line, while we search for our forever home, continue to keep ourselves and our community safe, and prepare for congregational life after COVID.

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contact' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

Basic Protective Measures Against Coronavirus

Your leadership at River of Grass are taking every precaution against coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

Take care of your health and protect others by doing the following:

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

How to cope with stress during this coronavirus outbreak:

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
