Through Impossible to Possible: or, How to Make A New Beginning

*The only way to discover the limits of the possible
is to go beyond them into the impossible.*

– Aldous Huxley

By now y'all likely know that our beloved River of Grass Unitarian Universalist Congregation specializes in the impossible – from the day of its birth 24 years ago, through every threshold of growth, challenge, and changes foreseen and unforeseen. So many of you have witnessed it again and again. And if you haven't yet, then you are right on time! This Spring of 2023, we are once more asked to find out what is possible for our vision and mission with a good look at our monthly theme of "Vulnerability" by, well, getting vulnerable with truths about the future of our beloved River of Grass Congregation – and what we are asked to do, to be, and to give to get us from here to there.

Come as you are – either in-person at the Old Davie Schoolhouse at the Historical Auditorium or virtually on Zoom. We welcome you on Sunday morning at 10:30. Come a bit before and we can Chat prior to the service... See you then!

In person at:
